Support the WDM -- Make a Donation TODAY!

With your support and financial donations the Western Development Museum has been preserving Saskatchewan's heritage since 1949.

Donations come from corporations, small businesses and individuals just like YOU! Contributions can be in any amount - \$1, \$5, \$25 or \$1,000 - the important thing is that every dollar helps us in our effort to protect our past and lets you build a legacy for the future!

Donor dollars have allowed the WDM to improve programming, exhibits and the upgrade of Museum sites. Donors have provided funds for the conservation and restoration of WDM artifacts and the materials needed to do so.

The WDM can issue a charitable tax receipt for a donation made to the Museum. Donors also receive recognition in *The WDM Benefactor* and the WDM Annual Report. Any donor that meets the levels required will be recognized on the WDM Donor Walls at the four WDM branches.

For more information on making a charitable donation to the Western Development Museum or on the Museum's Donor Recognition Program, please contact:
