August 14-16	Children's Pioneer Days, <i>Pre-registration required</i>
August 20	Discovery Box Family Programming

Events and dates listed here are subject to change.

A MESSAGE FROM THE CEO

Thanks For Your Support

This summer, there are some changes to the WDM's usual line-up of activities as we tackle some big projects and wrap up others.

In Saskatoon, construction on the parking lot will be underway. This is a major infrastructure project that will cause some disruption as we install the needed drainage system to address the high-water table that is the root of all the parking lot problems. The WDM Saskatoon will remain open during construction and an alternate entrance is being prepared on the west side of the building.

Given the scope of the parking lot project and, in the interest of everyone's safety, we have decided not to hold Pion-Era this summer. Our other summer shows – Those Were The Days in North Battleford and the Threshermen's Show and Seniors' Festival in Yorkton – will have lots of great family activities to offer and I hope you take the opportunity to join us at these events.

The 1158 Locomotive in North Battleford will be back on display beside the train station having been completely restored over the past year. The restoration of the 1158 locomotive was a major undertaking and we are pleased that it is once again on display.

For the first time in two years, summer in Moose Jaw will be marked by the return of the Vulcan locomotive's whistle. The railway track has been repaired and visitors can once again ride the only operating steam locomotive in Saskatchewan. We will be re-launching the locomotive at a special opening on June 17, so come out and enjoy a day of family fun and train rides.

Coming for a visit to any one of our WDM locations is a great way to reconnect with family and friends. We hope a visit to one of the WDM locations will be a part of your family's summer memories this year.

Have a safe and happy summer everyone!

Sincerely,
Joan Kanigan, CEO

ABOUT US

The Whistle is Back in Moose Jaw!

Join us on Sunday, June 17 as we celebrate Father's Day and welcome back the **K+S Potash Canada Short Line 101!**

Sunday, June 17, 2018

1:00–4:00 pm

Western Development Museum - Moose Jaw
50 Diefenbaker Drive

1:00 pm - K+S Potash Canada Short Line 101 Opening Ceremonies

2:00–4:00 pm - Indoor Activities

FREE Train Rides and **FREE** Museum Admission

There will be family friendly activities, opening ceremonies and of course, rides on the **K+S Potash Canada Short Line 101.**

Thank you K+S Potash Canada, Cypress Paving Ltd., Canadian Pacific Railway, Teamsters Canada Rail Conference, Thunder Creek Model Railroad Club, Saskatchewan Lego Users Group, Vintage Aircraft Restorers, SaskTel Pioneers, Ironhorse Railroad Contractors Ltd., and all other supporters.

WDM MOOSE JAW

SUMMER EDUCATION/PUBLIC PROGRAMS ASSISTANT, BRITNEE-ANNE,
IN THE CAB OF CPR DIESEL-ELECTRIC LOCOMOTIVE 6553

Canada Day

JULY 1

1:00–4:00 pm

Celebrate our country with a special event at the WDM! We're planning heritage demonstrations, old-fashioned ice cream making, crafts and games. You can also check out vintage Canadiana short films in our theatre from the National Film Board.

Summer Outreach

Our Summer Interpreter will be out and about in the community bringing along a pop-up Museum and WDM activities to local events to help share Saskatchewan's story! Keep your eyes open for him at the Moose Jaw Homegrown Farmers' Market, Sidewalk Days and more.

WDM MOOSE JAW

BRICKSPO

July 28–29

Stunning sculptures by the Saskatchewan LEGO Users Group + workshops by Bricks 4 Kidz.

WDM NORTH BATTLEFORD

ST. MARY'S ANGLICAN AND ST. ANTHONY'S ROMAN CATHOLIC CHURCHES IN THE HERITAGE VILLAGE

Summer in the Village

The Heritage Farm and Village is open for another season! The Village boasts over 30 homes, businesses, and other buildings representing small town life in the 1920s. Visit this summer to see four authentic churches, each moved from a Saskatchewan community to the Museum: St. Luke's Roman Catholic Church from Fielding, St. Mary's Anglican Church from Lilac, St. Anthony's Roman Catholic Church from Redfield, and Holy Trinity Ukrainian Greek Orthodox Church from Hafford.

New in the Gift Shop

Check out unique pieces made by Calico Cat Handcrafted Jewelry in Swift Current from chain, leather, beads, stones, and found or re-purposed items.

JUNE-JULY HOURS

9:00 am - 5:00 pm Daily

WDM SASKATOON

TELUS Motorcycle Ride for Dad

JUNE 16

Once again, the WDM Saskatoon will serve as the starting point for this annual fundraiser to fight prostate cancer. Events kick-off with a pancake breakfast in the Museum from 8:00 – 10:00 am, following breakfast the parking lot comes to life with the roar of hundreds of motorcycles setting off on the charitable poker run.

PRE-REGISTRATION REQUIRED FOR ALL CAMPS AND CLUBS. VISIT WDM.CA FOR MORE INFORMATION.

FEATURE

Towards a New Parking Lot

Plans for fixing the Saskatoon parking lot have been underway for over 5 years. Last year, we committed to finishing the project in 2018. Repairing the parking lot is a major infrastructure project because of the high-water table in the area.

Continuing to make surface repairs to both the asphalt and gravel areas of the parking lot are no longer feasible. Patching asphalt and adding gravel has been done annually over the past 10 years and the repairs rarely last a full season. Correcting the poor drainage and lowering the water-table is the only long-term solution to the ongoing problems experienced in the parking lot.

Fixing this will require excavating the entire parking lot to install the necessary drainage systems before new curbs and asphalt can be added. As a result, the main entrance and parking lot will be inaccessible during construction. We are anticipating that construction will occur between July and October.

The WDM Saskatoon will remain open during construction. An alternate entrance to the Museum is being planned on the west side of the building and parking will be located in the Pioneer Circle. We are doing everything possible to keep the disruption to a minimum. Detailed signage and maps will be available to guide visitors to these alternate areas once construction begins.

The anticipated cost for this project is \$1.5 million. As part of our ongoing efforts to raise funds for this project, a \$2 infrastructure improvement fee is being instituted. This fee will be added to the cost of regular Museum admissions. WDM memberships will not be impacted by this surcharge.

We are excited to be moving forward on this project and while the construction will be disruptive, the end result will be a well designed and accessible parking lot.

'53 Chevrolet Bel Air Restoration Project

This month saw the culmination of several months of labour by Curatorial Centre staff and volunteers when this '53 Chev was moved from the restoration shop and outside into the sunlight for the first time in almost 20 years!

Look for the '53 on the streets of North Battleford this summer!
