

To All Antique Equipment Enthusiast;

The Saskatoon Western Development Museum is planning our annual summer event, Pion-Era, for Saturday, July 14 and Sunday, July 15, 2012. We are inviting those with antique tractors or stationery engines to display them during Pion-Era '12. This is an opportunity for you to showcase your classic tractors and stationery engines.

Tractor operators have the opportunity to:

- Display their tractors along with other tractor enthusiasts and tractors from the WDM collection at Pion-Era '12.
- Tractor operators are invited to participate in our Parade of Power where operators can show off their tractors in a parade of machinery along with equipment from the WDM collection. The Parade of Power takes place on Saturday and Sunday following the Story of Threshing demonstration (approximately 4:15 p.m.). If you wish to participate please include some information about your antique equipment for our commentators to read during the Parade of Power.
- Also for tractor operators, we hold Turtle Races for the slowest tractors. These fun races take place on Saturday and Sunday afternoon.
- Those with restored stationery engines can display them along with engines from the WDM collection.

If you are interested in participating please fill out the application form as well as a Waiver and Indemnity Form and send them to the WDM no later than Monday, July 9, 2012.

- Applications may be dropped off in person to 2610 Lorne Avenue South.
- Submitted by fax to (306) 934-0525.
- Submitted by email to Corinne at [cdaelick@wdm.ca](mailto:cdaelick@wdm.ca).

When registering please note the Guidelines for Visiting Tractors and Equipment which applies to events at all four Western Development Museum branches. Thank you for your assistance and support.

Best regards,

Corinne Daelick  
Education Coordinator
